

Dovercourt Baptist Church

Direct Deposit Giving

For those who may be interested in a more convenient method of supporting the various ministries of Dovercourt Baptist Church, we now offer the option of accepting donations directly into our church bank account. Simply fill out the form on the reverse side of this pamphlet, attach an unsigned cheque with the word "VOID" written on it, and then submit these to the envelope secretary (Steve Stinton).

Question: How often can I make donations using this method?

Answer: Donations will be withdrawn from your account and deposited into the church account ONCE PER MONTH, ON THE 15TH DAY OF EACH MONTH.

Question: What if I want to stop the automated withdrawals or make changes to the amount?

Answer: Automated donations can be discontinued or modified at any time. Simply contact the envelope secretary and notify him of your wishes.

Question: If I use automated direct giving, can I still donate using church envelopes?

Answer: Yes, you can still use church envelopes in addition to your automated donations, however, in order to reduce costs associated with purchasing yearly boxed envelopes, we would prefer that you simply use the special "Gift to DBC" envelopes available in the church lobby whenever you wish to make contributions over and above your regular automated direct giving. Church receipts will be issued at year end with your total donations to DBC, whether they were made through the automated direct giving or through the traditional methods.

Question: What if I change banks or want the funds withdrawn from a different account than the one I originally set up?

Answer: Simply notify the envelope secretary of the changes you wish to make, and provide us with a void cheque from the new account.

Question: What if I don't have a chequing account or would prefer to have the funds withdrawn from another type of account?

Answer: If you do not wish to have the funds withdrawn from a chequing account, speak to the envelope secretary and accommodations can probably be made.
